her at approximately 6pm at the greeters desk. The information clerk told me he stated that he found out from A Family Member & a Social Worker by the name of Michellet ^{who} told him that his girlfriend & baby were at the hosp. The clerk said she told him that the hosp had no record of a baby or patient by that name. The hosp has her listed as Terry with a "do not give information to anyone" for this patient. I was also informed that she may be released tomorrow. The boyfriend left and no further info will be given, since the ^{relocated to} ~~that was~~ ^{relocated to} Dir-4 spoke to the grand mother ^{that was} information given to me later.
